IMPORTANT INSTRUCTIONS

⚠ WARNING

If you are uncomfortable working with electricity, running electrical supply wire or installing a circuit breaker, please consult a licensed electrician.

INSTALLATION INSTRUCTIONS

NOTE: Before mounting the surface adapter, please read your original product Owner's Guide or go to cadetheat.com for your heater's minimum placement clearances.

STEP 1 Mount the Surface Adapter

Review the wall can label for correct direction (as noted by the UP arrows) before mounting. In the correct mounting position, the element of both heater assemblies will be at the top.

Mount the surface adapter securely to the wall using appropriate wall fasteners (not included). Refer to your original product Owner's Guide for minimum heater clearances from floor and adjacent walls.

STEP 2 Route Supply Wires

Follow **A** or **B** depending on where your supply wires are located.

A. If Wiring through the wall to the Wall Can

Remove a knockout from the wall can and attach the supply wire with a cable clamp connector (not included) leaving a minimum of 6 inches wire lead. Proceed to STEP 3.

B. If Wiring through a knockout in the Adapter to the Wall Can

Remove a knockout in the adapter closest to the supply wires. Feed supply wires from conduit through a conduit connector (not included) into the adapter, leaving 14 inches wire lead.

Remove a knockout in the wall can closest to the supply wires. Install a cable clamp connector (not provided) in the wall can knockout. Feed supply wires from conduit connector (not included) through the cable clamp connector in the wall can and secure. Proceed to STEP 3.

NOTE: All wiring outside of the surface adapter must be protected by conduit or other approved devices.

STEP 3 Connect wall can to adapter

Attach the wall can to the adapter using the four screws provided.

STEP 4 Install Heater Assembly and Grill

Install heater assembly and grill according to the installation instructions included in your original product Owner's Guide.

WARRANTY

For more effective and safer operation and to prolong the life of the heater, read the Owner's Guide and follow the instructions. Failure to properly maintain the heater will void any warranty and may cause the heater to function improperly.

LIMITED ONE-YEAR WARRANTY: Cadet will repair or replace any Cadet product, including thermostats, found to be defective within one year after the date of purchase.

These warranties do not apply:

1. Damage occurs to the product through improper installation or incorrect supply voltage;
2. Damage occurs to the product through improper maintenance, misuse, abuse, accident, or alteration;
3. The use of unauthorized accessories or unauthorized components constitutes an alteration and voids all warranties. Refer to Cadet website or call customer service at 855.CADET.US for list of authorized accessories and components.

4. CADET'S WARRANTY IS LIMITED TO REPAIR OR REPLACEMENT.

5. IN THE EVENT CADET ELECTS TO REPLACE ANY PART OF YOUR CADET PRODUCT, THE REPLACEMENT PARTS ARE SUBJECT TO THE SAME WARRANTIES AS THE PRODUCT. THE INSTALLATION OF REPLACEMENT PARTS DOES NOT MODIFY OR EXTEND THE UNDERLYING WARRANTIES. REPLACEMENT OR REPAIR OF ANY CADET PRODUCT OR PART DOES NOT CREATE ANY NEW WARRANTIES.

If you believe your Cadet product is defective, please contact Cadet during the warranty period, for instructions on how to have the repair or replacement processed.
